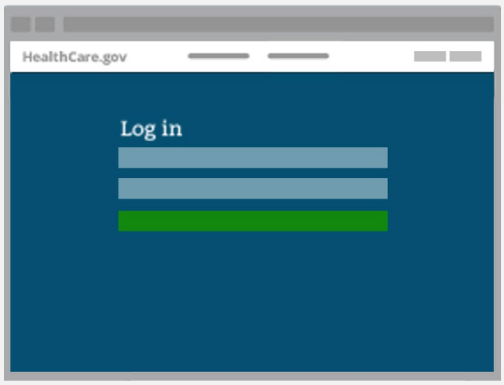
How to find your

Form 1095-A online

- Learn more about health coverage and your federal income taxes.
- Find out how to use your Form 1095-A once you have it.

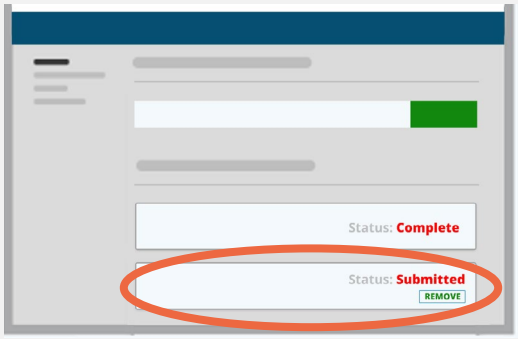
HealthCare.gov

STEP 1



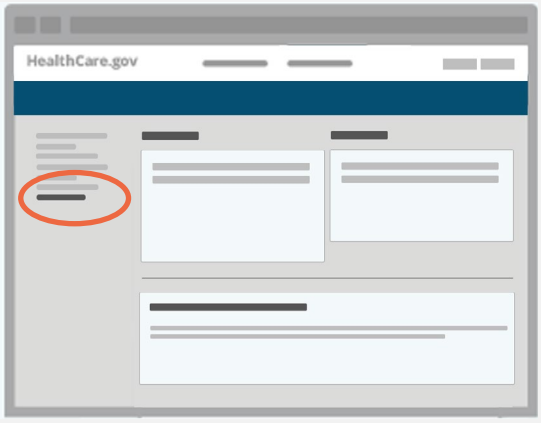
Log into your Marketplace account.

STEP 2



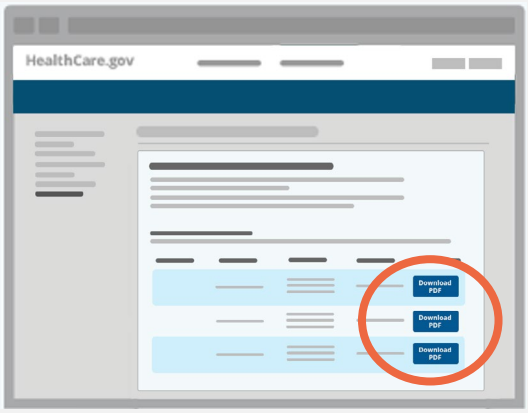
Under **Your Existing Applications**, select your **2019** application — **not** your 2020 application.

STEP 3



Select **Tax Forms** from the menu on the left.

STEP 4



Under **Your Forms 1095-A for Tax Filing**, click **Download [PDF],** and follow these steps based on your browser:

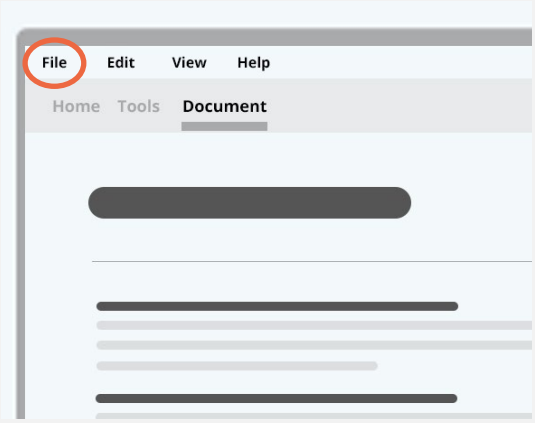
- **Chrome users:** The downloaded PDF will appear at the bottom of the screen. Click **Open**.
- **Internet Explorer users:** Click **Save** at the bottom, and then **Open**.
- **Safari users:** When the pop-up appears, select **Open With,** and then **OK**.

STEP 5

Save the file to your computer:

- **Chrome users:** Click the download icon at the top right (it looks like a downward facing arrow). Locate where you want to save it on your computer, and click **Save**.
- **Internet Explorer users:** Click **Save** at the bottom and then **Open**.
- **Safari users:** Click **File** in the top left, then **Save As**. Locate where you want to save it on your computer, and click **Save**.

STEP 6



Open your saved file. Click **File** in the top left, and **Print** to print a copy for your records.

Have more than one 1095-A?

You may have more than one if your household enrolled in more than one Marketplace health plan or if you reported a life change during the year. But if the Marketplace-assigned policy number in Box 2 is the same among the forms, use the most recent one.
