

Materials You Can Use:

1. Power Point presentation
2. Handout: Draft Framework (Vision, Goals, Strategic Directions, and Recommendations)
3. Handout: Round Two Questions
4. Facilitator Feedback Form

Discussion Purpose:

- To provide information on the National Prevention Council and the development of the National Prevention Strategy.
- To obtain stakeholder input on the latest draft Framework created for the National Prevention Strategy, which now includes draft Recommendations.

Instructions: The National Prevention Strategy will be most successful with input from a wide range of stakeholders across a variety of sectors. The stakeholder materials are designed to support a Discussion Session that could be as brief as 30 minutes. At the end of each session, please use the Facilitator Feedback Form to summarize input highlights and send to the following address:

**National Prevention Strategy
Attn: Haddi Cham
4350 East-West Highway, Suite 800
Bethesda, MD 20814-4499**

Sample Discussion Session Agenda:

1. **Welcome/Purpose of the Discussion Session**
2. **Presentation (Power Point Slides):** Overview of the National Prevention Council; the National Prevention Strategy; and the latest Draft Framework to include Vision, Goals, Strategic Directions, and Recommendations
3. **Discussion Session Questions:**
 - What are your suggestions on the Draft Vision, Goals, Strategic Directions, or Recommendations?
 - What evidence-based actions should the federal government take to address the Draft Recommendations?
 - What evidence-based actions should partners (national, state, Tribal, local, and Territorial governments, non-profit, and private) take to address the Draft Recommendations?
 - What measures should be used to monitor progress on implementation of the National Prevention Strategy's Vision, Goals, and Recommendations?
 - Do you have any additional comments or suggestions on the National Prevention Strategy?
