Use Adobe Reader on a desktop computer to open this document.

You **can't** open this document:

- In a web browser.
- On a mobile device (phone or tablet).
- If you don't have Adobe Reader software on your desktop computer.

How to open this document:

1. Use a desktop or laptop computer (not a mobile device or tablet).
2. If you don't have Adobe Reader version 8 or higher, visit https://get.adobe.com/reader to download it for free.
3. Visit https://HealthCare.gov/exemption-form-instructions and download the form to your computer (if you haven't already).
4. Locate the document on your computer. If you can't find it, check your "Downloads" folder.
5. Select and open the document.
