

# How to update your application online

if your income or household changes  
after you're enrolled

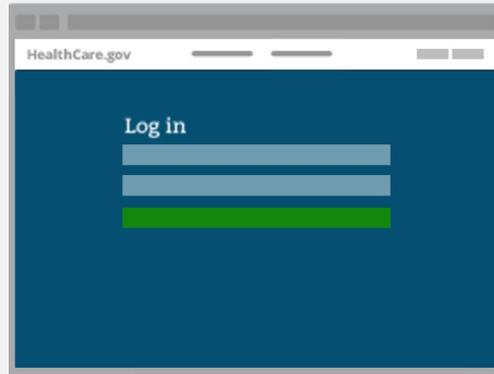

You can also update your information [by phone](#) or [in person](#).

You can't report the changes by mail.

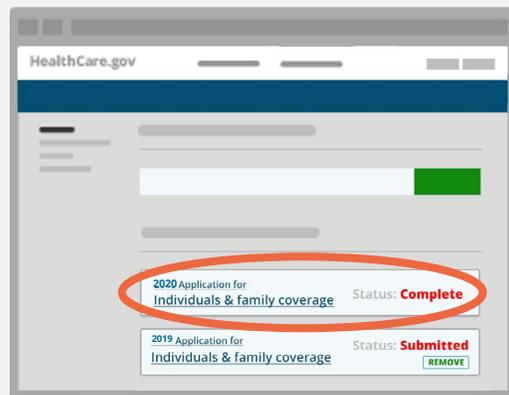

**HealthCare.gov**

**STEP 1**

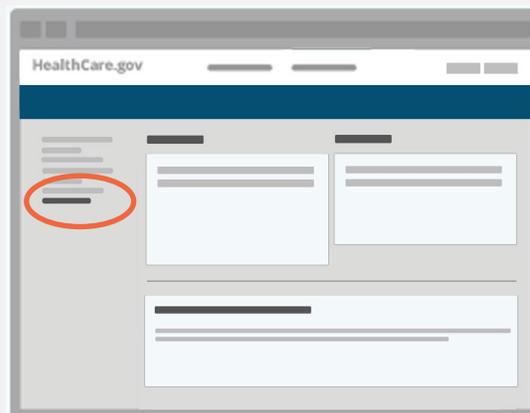

Log into your HealthCare.gov account.

**STEP 2**

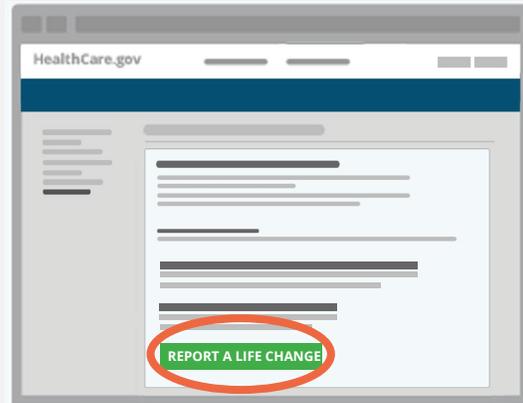

Choose the **completed** application you want to update under **Your Existing Applications**.

**STEP 3**

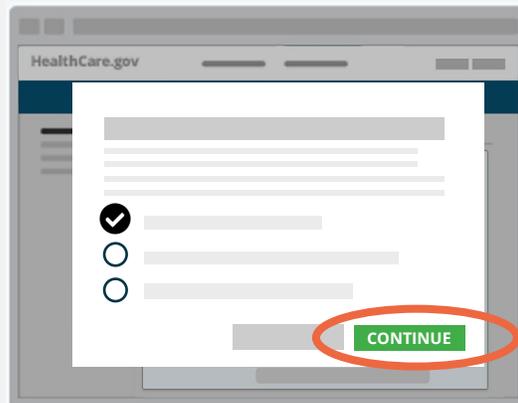

Click **Report A Life Change** on the left-hand menu.

**STEP 4**

Read through the list of changes, and click **Report A Life Change** at the bottom.

**STEP 5**

For income and household changes, select the first option **Report A Change In My Household's Income, Size, Address, Or Other Information**. Click **Continue**.

**STEP 6**

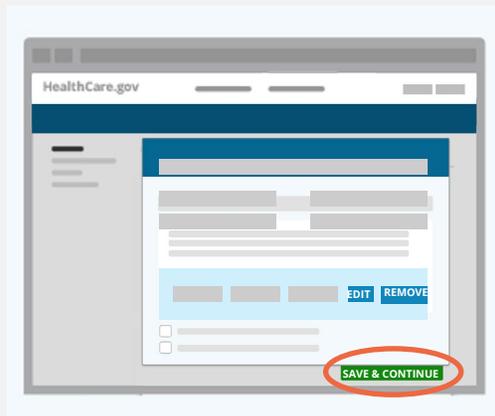

Carefully read the **Privacy & Use Of Your Information** statements. After you agree, click **Save & Continue**.

## STEP 7

Navigate through your application until you get to the section that needs updating. Press **Save & Continue** at the bottom of each screen to get there.

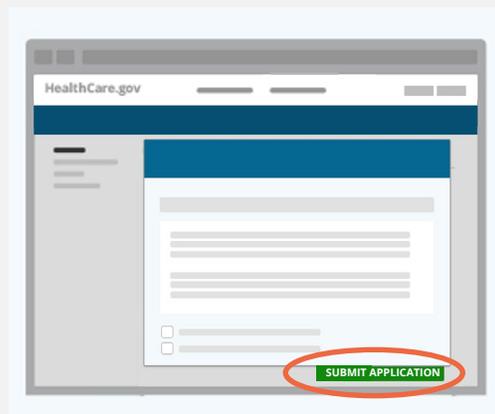

## STEP 8

Change your answers, as needed, by clicking **Edit** or **Remove**, or by using the drop-downs.

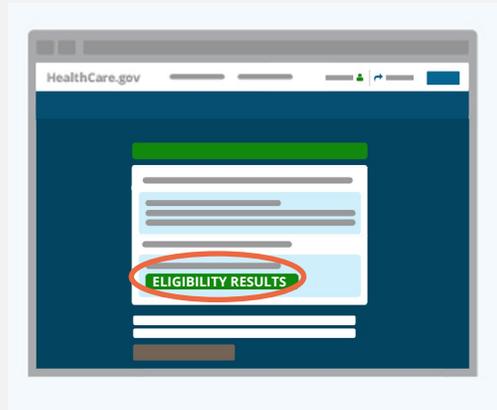

Verify your changes show correctly. Then, click **Save & Continue**.

## STEP 9

Once you've gone through your entire application and reported your changes, click **Submit Application** for a new eligibility notice.

## STEP 10

Review, download, and save your updated **eligibility results**. New plans and prices may be available to you.
